Procedure to be carried out at: Sage Aesthetic, Westhill, AB32 7BS.

Responsible Clinician: Dr Richard B Gordon

Section 1 of 5

1a. Proposed procedure or treatment.

(include a brief explanation if the medical term is not clear to patient/relative)

1b. Possible additional procedures which may be required.

(include a brief explanation if the medical term is not clear to patient/relative)

Section 2 of 5

Statement of health professional

I have explained the purpose of the procedure/treatment to the patient and relative (delete as appropriate). In particular I have explained:

2a. The intended benefits:

2b. The known side effects and significant risks:

2c. The patient has been supplied with the following information (e.g. verbal instructions, leaflets etc.)

2d. That during the course of the proposed procedure(s)/treatment circumstance(s) may require an additional procedure(s) see section 1b above.

2e. I have also discussed alternative procedure(s)/treatments (including no treatment) and any particular concerns the patient may have.

I confirm that this patient has the capacity to give consent: Yes: No:

Section 4 of 5

Statement of Patient/Guardian

Please read this form carefully. If you wish to have a copy please ask. If you have any further questions, do ask – we are here to help you. You have the right to change your mind at any time, including after you have signed this form.

4a. I understand and agree to the procedure(s) described on this form.

4b. I understand that, although you cannot give me a guarantee that a particular person will perform the procedure, the person will have the appropriate training and/or supervision.

4c. I understand that if my procedure(s) treatment involves an anaesthetic, I will have the opportunity to discuss the details of this.

4d. I understand that an additional procedure(s) may be required and this has been explained in Section 1b.

4e. I understand that if unforeseen circumstances occur I may require alternative/additional procedure(s)/treatment but these will only be carried out to save my life or prevent serious harm to my health.
