Confirm consent to contact GP Signed consent to contact GP in notes?

Patient Consent:

- I have had the process of the service explained to me and I have had the opportunity to ask questions.
- I am aware that no form of screening or testing can give a medical diagnosis with 100% certainty and that my mole/lesion may change over a period of time.
- I do not have any of the specified exclusions explained for the service.
- Consent to personal data being collected about me during the consultation (including images of my skin) being sent to, and used by ScreenCancer to enable them to provide the service, to contact Sage Aesthetic Ltd with the results and obtain any feedback on the service if necessary.
- Understand that my personal data will not be shared with any third parties or used for any other purpose, although non-identifiable clinical data may be shared by ScreenCancer for statistical and research purposes.*
- Understand that the data and images will be stored securely, and may be used for medical records, to teach appropriate professional staff and for clinical research/audit.*
- I understand that I have the right to withhold or withdraw my consent at any time care and that I can request for any information held on me to be deleted/ removed without this affecting my rights to future care

Data Collection by DermoSight/ScreenCancer service - *please select one or both:*

- ☐ Data collected is saved for Tele-dermatology assessment.
- ☐ Anonymised information also stored for research purposes (as described above*).
