

Consent Form - Botox

Please read this form carefully. You should already have discussed the benefits and risks of the proposed treatment. If you have any further questions, please ask – we want to ensure that you are fully informed and completely happy with your planned treatment programme.

Name: Alexander Gordon

Date of Birth: 19 06 2004

Address: the farmhouse uppertery value weshill dunecth ab32 7bs

Proposed treatment: Botox

Important:

No known allergy to botuline toxins or benzyl alcohol

I have discussed and accept the following risks:

Bruising, tenderness at injection site.

Ptosis (drooping eyelid).

Brow heaviness.

Headache following treatment (usually mild and transient).

If I suspect any problem after this treatment I will contact the clinic **as soon as possible**, initially via **email**.

I have discussed onset of action, duration of action and cost prior to treatment.
